>> Hello, everyone. Welcome to our REI webinar for today. Thank you for joining us. Our webinar is motivational interviewing, an approach that makes a real economic impact. My name is Katie Metz . I am the manager of Financial Empowerment and inclusion with the National Disability Institute and I welcome you here today. I want to give a special thank you to our sponsor, Bank of America. A lot of the work that we do would not be possible without them. They have been a long-term supporter of National Disability Institute and we greatly appreciate the work and the commitment they have to ensuring economic empowerment for persons with disabilities around the country. Right before we get started, I am going to turn it over to my colleague, Nakia , who will give us a few housekeeping tips.
